Company/organisation	Fruehauf NZ Ltd	Application close date	23/12/2022
Location	Feilding - Manawatu and Auckland	Employment type	work experience

Job description

We are willing to train people who will add value to our team. You may be ready for full-time employment or on your journey to set up for your career. We will consider all applicants for work experience, part-time and full-time employment.

To be considered... You were born to work in the Truck and Trailer industry and have some experience with MIG welding.

Fruehauf NZ Ltd. are leaders in the heavy transport industry with the design, manufacture, service, and repair of heavy transport equipment. Our core values are pride, innovation and teamwork, the minimum requirement for a perfect fit within our business.

We understand these are unusual times, and we want to actively grow our talent-pool in-house. We have a great supportive team to train the right person and will consider your application with less than the ideal experience. If this is you, you must be able to show enthusiasm for our industry.

Key Responsibilities

- Fabricate and weld as instructed by the Team Leader/ Manager
- Follow welding and engineering standards and procedures
- Follow engineering drawings to use correct parts and materials
- Meet and exceed standard build/repair times
